

## Rooted in Tradition, Reaching for the Future

### Akiva Academy Expansion Campaign

Campaign Chairs: Alan Mirkin and Dr. Harriet Schor

Excellent education in our Valley thrives thanks to Akiva Academy, which blends Judaic and secular education into a leading K-8 institution. The school offers a peaceful, inclusive environment for students of all faiths based on Jewish values.

Over the years, Akiva Academy has built a strong reputation for exceptional education, attracting families and reaching enrollment capacity each year within weeks of opening. The community sees the value in Akiva Academy, and so do we. That is why we are thrilled to announce that Akiva Academy will be opening a brand-new 5th-8th grade middle school facility in the 2025-26 school year. The new campus will be located just across the street in the former Allen's PharmaServ building.

Our \$1.5 million expansion will include four classrooms, office spaces, and a multi-purpose area designed for Shabbat services. In the next five years, this project will allow us to double Akiva Academy's current enrollment.

The new middle school will serve as a vital resource for families in our community, and we encourage you to support our efforts to continue providing quality education at Akiva Academy.
